Gifts of Stock Transfer Instructions

Donations of stocks allow Immigrant Legal Center to empower more immigrant families to live with confidence and free from fear through legal services, education, and advocacy. You will not pay capital gains tax on the securities you donate, and you will receive an immediate tax deduction for the fair market value on the date of transfer. As always, we recommend that you consult your tax or financial professional for advice before making charitable donations.

When you give, you change lives, families, and communities. You can donate in three simple steps.

STEP 1

Send your stocks via electronic transfer (where your broker transfers shares using Immigrant Legal Center's DTC number). *It is necessary for you to contact your broker to initiate the transfer.*

STEP 2

Notify Immigrant Legal Center that you are making a gift of stock by emailing grants@immigrantlc.org.

STEP 3

Send your securities. Ask your broker to send via Raymond James and Associates.
